

Look at Yourself & the World Around You Through the Lens of Personality

Merrick Rosenberg
Personality Styles Expert

Which Bird Are You?

In this engaging talk, Merrick Rosenberg guides audience members to discover the most interesting topic of all - *themselves!* Using his reimagined version of the classic DISC styles, Merrick revolutionized how people can tap into the power of their personality. By linking the four styles to four birds (eagles, parrots, doves and owls), participants will laugh and learn as they see the impact personality has played in their lives.

Through entertaining stories, Merrick will share the insights he gained from working with people at all levels for more than 25 years. This session will captivate both large and small audiences, as participants learn about themselves and the people with whom they live and work.
